APMA is pleased to partner with the Original Equipment Suppliers Association (OESA) and the Canadian Consulate General in Detroit, to organize the 24th Annual Canada-U.S. Automotive Dinner. The keynote address will be given by **Mark Reuss**, Vice President and President, General Motors North America. Reuss will discuss plans for General Motors in North America and around the globe. He will also share thoughts on North America's importance in the global automotive market and the importance of Canada and the U.S. as automotive powerhouses.

This event is a once-a-year opportunity for APMA members to meet with members of the U.S. automotive industry and enjoy an informal evening of networking. Since 2010, the meeting has been hosted by APMA, OESA and the Canadian Consulate General Detroit. This partnership allows the associations and the Consulate to foster cooperation between the American and Canadian automotive supplier industries.

Individual tickets and tables of eight are available for purchase. Registration is available online at www.apma.ca for individual registrations only. Full tables must complete and fax their registration form to APMA. For registration assistance, contact Glenda Tedesco at 416-620-4220 extension 223 or via email at gtedesco@apma.ca.
